Mattern pitched masterly ball yesterday, holding the troublesome Leafs to seven scattered hits and striking out five batsmen. Then, too, the Bengals continued their terrific hitting, corralling a total of eieven safe drives from the delivery of pitcher Ellis Johnson, who went the route for Joe Kelley's men. Ray Mowe and Leo Callahan led the champions in the swatting bee, each securing a trio of singles. Eddie Zimmerman was also there with a pair of timely drives and it was hit single in the eighth session that sent the winning run over.

Bengals Get Early Start.

The Bengals were the first to score, securing a run in the first inning. Mowe opened the round with a single to left and went to second on Witter's infield out. Willie Zimmerman, although he went out at first, on Fisher's assist to Jordan, advanced Mowe to third and Ray raced across the plate a moment later on Leo Callahan's safety. Callahan stole second, but Kraft made the third out, a fly to Priest. Toronto got a man as far as second with one gone in the first inning, but failed to score. Eddie Zimmerman singled and stole with one out in the second inning, but he too was left stranded. O'Hara doubled with one out in the second and the Leafs looked dangerous for a time, but Mattern tightened up, struckout Priest and forced Catcher Bell Kelly to fly to Witter. Newark added another point in the third. Move again started the doings with a single after which Witter walked. W. Zimmy advanced both runners, although he himself was out at first. Callahan hit to Johnson and Mowe beat the throw to the plate. Kraft hit into a double play.

Leafs Tie the Score.

The Kelly crew tied the score In the fourth session. Jordan walked. C'Hara and Priest were easy outs.

Williams seemed to possess a more finished game, but his numerous errors at critical stakes lost him many chances. The Kelly crew tied the score in the fourth session. Jordan walked. O'Hara and Priest were easy outs, but Kelly's double put Jordan on third. Johnson drew a pass. Wilson's single sent home Jordan and Kelly, Johnson being held at third. It was in the eighth inning that the Bengals won the game with a pair of tallies. Willie Zimmerman got on with a single to left and Callahan beat out a bunt to Johnson. Both runners perfected a double steal. A pass to Kraft filled the bases. Getz lined to Wilson but Willie Zimmerman was held on third. Eddie Zimmerman's timely single, however, enabled W. Zimmerman and Callahan to score. Heckinger lifted a fly to Fisher and Fraft was caught off the bag, myking the third out. Jordan 1. Ged with one down in Toronto's half of the eighth, but his teammates falled to bring him home. as the "Indoor King," and was un-beatable on the indoor tracks. Eleven you have, boys?

Bike racing has often been declared an injurious sport, especially six-day racing. The gee-gaws were, twenty years ago, absolutely positive that the great cycle riding craze of that time was going to make us a humped-back, concaved-chested tubercular humanity, with longevity reduced to not more than two-score years at the most. But instead of being injurious, it is, to the contrary, apparently a most healthful exercise.

If it is injurious there is no rider who has reached the age where the strenuous sport has begun to show any ill-effect. There are two riders competing at every meet at the Velodrome who will soon reach the half-century mark, and they are as fit as they were twenty years ago. They are not as fast as they were, but they are still able to win races and leave the track as fresh as the riders who are half their age.

One is Jay Eaton, who was a great rider in the days of Eddie Bald, and the other is Norman Anderson, of Denmark. They are both forty-four years old, and they have been racing for just an even twenty years. When he was in his prime Eaton was known as the "Indoor King," and was unbeatable on the indoor tracks.
